RESTAURANT REVIEW COPY

SPORTS ON TAP* This Hilliard, Ohio establishment puts the “sport” in the sports bar genre. Proud of its beer, excited about its sports, both to watch and talk about, and offering a menu sure to please its patrons, Sports on Tap is not to be missed....

SOLARIS RESTAURANT*If you are in the mood for fine dining in large or small portions, Solaris Restaurant is the place to go. You can dine in a fun, laid back atmosphere while resting on chairs or couches, and enjoy the great artwork, music, view and people watching. Tapas, or “small dishes,” are the specialty of the house, such as Vegetable Tempura, Fried Fennel, Drunken Portabella, Mozzarella Milano Dip, and Classic Ceviche...For fresh food worth every bite, visit Solaris Restaurant.

NANCY’S PIZZERIA*Since the Chicago Tribune, Chicago Magazine and ABC-TV have said Nancy’s Pizzeria has “the best stuffed pizza in Chicago,” why go anywhere else? Even though Chicago has been called the toughest pizza market in the world, boasting probably more pizzerias per capita than any other Major City, the owners of Nancy’s were determined to stand out. Nancy and Rocco Palese worked on a special stuffed pizza recipe, which has been perfected over the years. Choose from Chicken Cacciatore, Rocco’s Party Pizza, BBQ Chicken and other stuffed pizzas. Nancy’s thin crust pizza is great, too, including the Vegitini, Uncle Tony Special... The fresh and hot Italian bread sticks are not to be missed. Nancy’s will cater your events, or bring home some take and bake and prepare fresh pizza yourself. Nancy also delivers.

MEXICO VIEJO*Although it’s located in Columbus, Indiana, in America’s Midwest, the food is authentic Mexican at this casual restaurant. Mexico Viejo is well suited for a family dinner, business lunch, or a romantic evening. The prices are reasonable and the food is delicious. Choose from fajitas, burritos, quesadillas, and enchiladas. Or try one of the combination plates, which are some of the best values. Mexico Viejo offers a number of vegetarian plates as well. Greens include Taco Salad, Taco Salad Fajitas, and Tossed Salad. For dessert, don’t miss the flan, a custard topped with caramel. Other sweets offered are sopapillas, fried ice cream or Chimi-cheesecake. This restaurant offers a full bar. When in the mood for great south-of-the-border fare, be sure to stop by Mexico Viejo.
